Dear Dave, 10/15/97

Your 10/5, with the postmark 10[illegible]8, came yesterday. I enclose the face of the envelope.

The clippings are interesting and I'm keeping them. Thanks.

Jim was here and we spoke briefly. He did not tell me that the delay in the Hickey filing was Zaid's or that the case had been thrown out. I don't see how the Constitution permits what the NH and Montana judges did.

He was here on his taxes.

I'm sorry for Exner, that he took her case, and that she has been so dishonest and caused so much trouble, perhaps harm.

Brief to make the mail and because this morning my blood pressure was high. I'm uneasy waiting for a call from the doctor, who was not in. It was 152/94.

Best,

Harold
